FAIRFIELD COUNTY SCENE

SUNDAY, NOVEMBER 15, 2009

Pictured, from left: Scott Kelley of Norwalk, chairman of the Umbrella Club Good and Welfare committee; Bob Giangoia of Stamford, Umbrella Club president; and Leslie and Lou Potter of Stamford and their children, in front, Mathew and Ryan Potter, at the 22nd Annual Golf Outing Fundraiser.

Golf outing fundraiser

Members and friends of the Umbrella Club of Fairfield County teed off at the 22nd Annual Golf Outing Fundraiser at Stamford's Sterling Farms Golf Course in support of a local family.

More than 130 golfers participated in the event, which raised more than \$40,000. A donation of \$10,000 was given to Ryan Potter, a 6-year-old

Stamford resident suffering from cystic fibrosis, to help defray his medical costs. CF is a hereditary disorder that causes the body to produce unusually thick mucus that clogs the lungs and leads to life-threatening lung infections.

An awards dinner was held following the golf outing. Sponsors were Resinall, Stamford Hospital, Morgan

Stanley, The Bill Bouton Family and RBS Sempra Commodities.

The Umbrella Club of Fairfield County is a non-profit provider of funding to local children in immediate need of medical assistance. Visit www.umbrellaclub.org.
