To Our Good Friends at the Umbrella Club,

I would like to thank you, once again, for reaching out with a helping hand to touch the lives of two of our families. The celebration at the Italian Center last week was amazing and it was clear that the Varner's left the event with a renewed sense of hope and optimism. The Lopukhin Family was thrilled, and in disbelief as well, when we shared the good news that you planned to help them with some needed supports for their son Alexei.

Although raising a child with complex medical needs has many rewards, it can often be a pathway to hardship. So many of the families we serve struggle daily to obtain the supports and services needed to give their children the best quality of life possible, but unfortunately find themselves without the resources or insurance coverage to help their kids; such a heartbreaking position for a parent to be in. Enter your incredible Club, a shelter in the storm, offering compassion, kindness and financial respite and asking nothing in return. Remarkable!

We can't thank you enough for the generous support the Umbrella Club, as well as, your incredible sponsors and friends have extended to the Varner's and Lopukihin families this year and we are so very grateful for your continued support and endorsement of our programs, families and staff here at St Vincent's Special Needs. You are indeed, and inspiration!

Many, Many thanks,

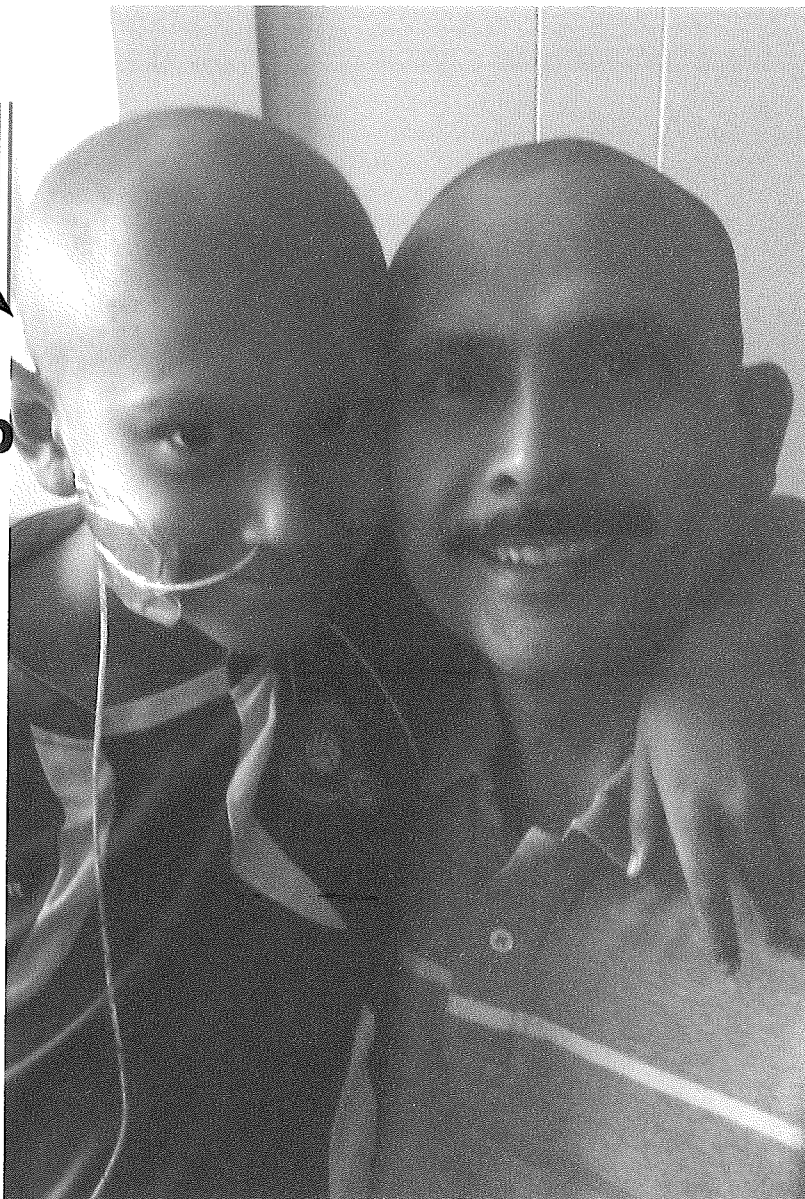

Donna Kennedy
