The Umbrella Club

The Umbrella Club was established over 40 years ago as a non-profit, 501(c)(3) organization dedicated to providing compassion, support and financial assistance to families and children in the greater Fairfield County community.

The challenges and impacts on families with sick children are significant and multifaceted. These expenses can include direct costs, such as **medical bills**, **medications**, and **special equipment**, as well as indirect costs, such as lost income due to **reduced work hours or job loss**, **travel expenses** for medical appointments, and the **emotional and physical toll of caregiving**.

- Over \$4,000,000 donated to families and children since 1979
- Over 90% of every dollar raised goes directly to our mission
- 50 volunteer members who donate their time, energy and resources

Endless Summer On The Sound

The Annual Endless Summer On The Sound Beach Party is the final fundraising event held each year to support these efforts

Endless Summer in 2023 At-A-Glance:

- Over \$325, 000 raised with over 14 Sponsors and more than 300 attendees
- Thanks to the generous support in 2023, The Umbrella Club was able to provide:
 - A wheelchair ramp for the home of a 6-year-old girl from Bridgeport, CT with Mitochondrial Metabolic Disorder
 - A specialty bed for a child from New Haven, CT with Dravet syndrome causing severe and frequent seizures
 - A portable, postural support chair and stroller for a girl in Stratford, CT with Lennox-Gastaut syndrome, a severe and intractable form of epilepsy

“Your financial support of our families who are in trouble or in need, and your consistent willingness to go above and beyond to assist our students has touched us deeply here at St. Vincent’s Special Needs. We are so grateful to your club for all you do to make life better for the children we serve, but most of all we are grateful for the gift of hope you have once again extended to their families.”
